

Program Committee Description

Organization Overview

ComMUSICation's (CMC) mission is to amplify young voices and cultivate skills for success through equitable access to music, collaboration, and opportunity. Founded in 2013, ComMUSICation teaches skills for success through music-making to youth from Saint Paul's Frogtown, Rondo, East Side and North End neighborhoods. Our high-quality and intensive music programs are built on the belief that every young person, regardless of background, deserves the opportunity to be in a safe and caring environment where they are free to express themselves, can define their future, and change the world.
